FRENCH DISCOVERY WITH OUR 5 SENSES

Kids explore French through their five senses with games, songs, crafts, and tastings. No prior French needed!

- Who: Students in Grades 1–4, all levels welcome
- Where and Time: Sir William Osler Elementary School, 3:00pm - 4:30pm
- When: Mondays January 18 - March 8 (no program on Feb 15) 2027 | Once a week on Mondays for 8 weeks.
- Group size: 10-20 students per group
- Materials: All suplies, crafts, and tasting items included
- Curriculum: Aligned with the BC Core French curriculum: everyday vocabulary, listening and speaking, and discovery of Francophone cultures
- Allergies: Food and scent activities are adapted to your school's allergy guidelines and each students.

Give your child a joyful head start in French! Through songs, games, and hands-on discoveries, kids build real vocabulary and confidence while having so much fun they won't realize they're learning.

1 Bonjour!
Greetings, numbers, colours, and animals. Through songs and movement games, children learn to introduce themselves and practise their first French words.

2 My Five Senses
A first look at our five senses. Children learn to name the parts of the body linked to each sense through songs, actions, and playful games.

3 Sight
Colours, shapes, and flags from the Francophone world. Kids play observation games and discover the geography and history of many countries around the world where French is spoken.

4 Hearing
Music, sounds, and instruments from French-speaking countries. Children listen closely, guess mystery sounds, and move to music from places like Québec, France, and Africa. Instrument vocabulary will be studied.

5 Touch
Mystery bags and texture games! Without peeking, students guess objects by feel and describe textures like soft, rough, and smooth, all in French.

6 Smell
Market scents and aroma-guessing games. Children discover the smells of a French market, then name and describe what they smell in French.

7 Taste
Sweet, salty, fruity... a fun tasting experience to learn French food words. Kids sample simple treats inspired by Francophone cuisine and learn to say what they like and don't like.

8 Celebration!
Students create and present their "My 5 Senses in French" poster, with review games. It's a proud moment to show families everything they've learned over eight weeks!
