ELEMENTARY

\$300

POP FRANCOPHONE | GRADE 3 - GRADE 7

Students dive into the vibrant world of street art and pop culture! Students explore iconic murals, visual trends and music from Francophone countries, then create their own art inspired by French slogans, slang, and contemporary themes.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- Projector or screen required
- AF facilitator brings all materials

\$400

ESCAPE GAME | GRADE 3 - GRADE 7

A sorcerer has cast a spell on the French-speaking world and scrambled its most beloved tales! Working in teams, they crack codes, solve riddles, and piece together clues drawn from francophone legends and fairy tales to "escape" before time runs out. Every puzzle is designed to build vocabulary, reading comprehension, and teamwork.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- ONLY AT AFV

\$400

MISSION FRANCOPHONIE TV | GRADE 4 - GRADE 7

Students become the stars of their own French-language TV broadcast! Working in small teams, they rotate through French-speaking country stations collecting crazy fun facts to write and perform a live on-air segment for the class. Think rolling cameras, on-air confidence, and a classroom buzzing with French. By the end of the hour, students can't believe French is spoken across so many corners of the world.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- ONLY AT AFV

ELEMENTARY - SECONDARY

\$300

MOVIES | GRADE 4 - GRADE 12

Students watch a movie (english/French subtitle available) and participate in a guided discussion and activities after the movie. This experience develops listening, comprehension, critical thinking, and cultural awareness, while reinforcing Core French and Immersion learning outcomes. It can accommodate up to five classes, either in our theatre or at your school, depending on your available space.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- Projector or screen required
- AF facilitator brings all materials

\$400

COMIC BOOK | GRADE 4 - GRADE 12

Students explore the history of comic books, learn vocabulary specific to the medium, and create their own comic on specific themes, while developing storytelling and narrative skills. Each group will present their comic book, with quizzes and games included.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- Projector or screen required
- AF facilitator brings all materials

\$420

PASTRY | GRADE 4 - GRADE 12

Students join a hands-on cooking or baking workshop featuring a Francophone recipe. A professional chef demonstrates the recipe, students prepare it, and then taste their creations, building independence and teamwork skills. There will be some games focused on vocabulary and general knowledge, along with a pastry activity.

- At Alliance Française Vancouver
- All ingredients and tools provided
- Allergy and dietary info required in advance

- In your classroom / school
- Allergy and dietary info required in advance
- AF facilitator brings all ingredients and tools provided
- Access to a kitchen and an open space with full kitchen equipment

SECONDARY

\$350

CONVINCE - ME ! | GRADE 8 - GRADE 12

Students become creative marketers and present an original product in French. They practice persuasive language, explore different registers, and integrate oral storytelling techniques. Challenges like “Box of Lies,” pronunciation activities, and speech debates will encourage them to speak up in French while having fun trying to trick their teammates.

- At Alliance Française Vancouver
- No materials needed from school

- In your classroom / school
- Projector or screen required
- AF facilitator brings all materials

\$300

FRENCH HISTORY & SLANG | GRADE 8 - GRADE 12

Explore French history and quirky slang in a fun, interactive workshop! Through trivia and team challenges, students guess meanings, discover unusual expressions, and see how language reflects culture across French-speaking regions.
